## LinkedIn

Keegan Frieslaar | LinkedIn

## Location

Cape Town, South Africa

## ABOUT ME

I am a self-motivated learner. I have a keen interest in mobile, front-end and back-end development. I love integrating with new technologies as well as tinkering with Linux. I find myself testing my fears in my spare time such as paragliding, scuba diving, traveling, learning etc.

## EDUCATION

2016

Matric

Bervliet High School

2017

Coding Course

Life Choices Academy
