Cape Town, South Africa

ABOUT ME

I am a self-motivated learner. I have a keen interest in both mobile and full-stack development. I love integrating with new technologies as well as editing my Arch Linux setup. I find myself playing competitive FPS games when I'm not coding.

- Coding OS - Linux (Arch)
- Gaming OS - Windows

EDUCATION

2016
Matric
Bervliet High School

2017
Coding Course
Life Choices Academy

MY SKILLS

Technical Skills
