CV

📍 **Location**
Cape Town, South Africa

ABOUT ME

I am a self-motivated learner. I have a keen interest in mobile, front-end and back-end development. I love integrating with new technologies as well as tinkering with Linux. I find myself testing my fears in my spare time carrying out activities such as paragliding, scuba diving, traveling, learning etc.

EDUCATION

2016
Matric
Bervliet High School

2017
Coding Course
Life Choices Academy
